The 34th International Exhibition ALLTEX Fabrics. Threads. Accessories. Equipment. Textiles took place on September 26 - 29 in Kiev at the International Exhibition Center. In the autumn season 2018 the exhibitors of ALLTEX represented Ukraine, Italy, Turkey, France, China and Turkmenistan.

For participants, the exhibition ALLTEX has become the possibility for a successful start and product presentations. The official partner of the exhibition, company PIM Accessories, presented a novelty in Ukraine - adhesive materials and fillers of the Vlieseline TM from FREUDENBERG (Germany).

During the ALLTEX Autumn 2018, designer's collections of clothes were presented in the “Designer Alley” section. As a part of the business program there were held: a meeting with Yulia Pavlenko, Director of the Department of International Operations of Ukrpochta, a seminar on marketing at the Fashion Mass Market, a workshop of the Unimex Sewing Academy, the presentation of the Gadiatska shirt project from Zeta_atelier together with the Pereyaslav National Historical and Ethnographic Reserve, also the trainings on sales tools, payment methods etc.

ALLTEX is a multifunctional platform for purchases, new acquaintances and business development.
